

Great Eastern Motor Inn

RED	Region	Glass	Bottle
Amadio Merlot Rose	Adelaide Hills		32
<i>This Rosé style Merlot presents intense aromatics of strawberry puree, red berry and hints of gum on the nose. This follows through onto the palate with sweet flavors of raspberry, toffee and cranberry that is balanced with the creamy mouth feel and crisp refreshing dry finish.</i>			
Dog Leg Merlot Cabernet	Adelaide Hills	7.00	26
<i>This distinct blend of Merlot Cabernet primarily sourced from Adelaide Hills. A medium-bodied wine with flavours of stewed quince, rhubarb and ripe dark fruits with further black olive adding a savoury tone to the finish.</i>			
Vino di Famiglia Sangiovese	SA	6.50	24
<i>This traditional blend of Sangiovese and Lagrein delivers lifted aromas of black raspberries and plums with spices such as cinnamon or nutmeg. Yet, on the palate, it is a bit lighter than expected although it does come off as rustic, with a spry acidity that makes them great with food.</i>			
Dog Leg Shiraz	SA	7.00	26
<i>This Shiraz displays classic notes of plum jam, liquorice and rhubarb with subtle hints of vanilla on the nose. This works in harmony with layers of dark forest fruits and influence of mocha and spice on the palate.</i>			
Amadio Premium Cabernet	Adelaide Hills		38
<i>This full bodied and intense wine opens into ripe mulberry, hints of mint and tobacco leave with overtones of cedar and spice. The mouth feel is comforting and cosy yet is built around firm, fine-grained tannins.</i>			
Wirra Church Block Cabernet Shiraz Merlot	McLaren Vale SA		36
<i>The aroma displays lifted fresh berry fruits including blackberry, raspberry and mulberries. Cedary oak, star anise and fresh leather add subtle complexity</i>			
Amadio Premium Pinot Noir	Adelaide Hills		38

This Pinot Noir relishes in articulating aromas of wild strawberries, ripe red cherries and spring violets that concentrate onto the palate. This indulges the palate with silky tannins and a medium body that's intense flavour sets it apart.
